

CERTIFICATE

Permission to use the test mark

***VOLUNTARY PRODUCT TEST
BASED ON VDI 6022-1***

– Tested Hygiene Requirements –

TÜV NORD Systems GmbH & Co. KG, Hamburg (Germany),

hereby confirms that the Humidifying System

“Sprayvap”

conforms to the requirements set by VDI 6022-1.

Lavair AG Klimatechnik, Aach (Germany),

is therefore granted the right to use the test mark shown below
in connection with the above-mentioned product.

TÜV NORD Systems GmbH & Co. KG

Test Laboratory for Ventilation, Air Conditioning, Refrigeration

Dipl.-Ing. Monika Steimle

Essen, 14 February 2020

The certification is based upon a type examination of a humidifying system
and not of a complete system installed in a building.

The validity of the certificate is three years.

All regulations concerning test mark use are laid down in the corresponding agreement.
